The Viewing

CHOOSING YOUR IMAGES

After your portrait shoot I will hand select the best of the best shots from your session. I'm going to choose only the epic images from the day, about 40-50 of them.

We are going to have another appointment, your reveal session, where I will show you a cinematic presentation of the images and then you get to choose your favourite ones and decide on your portrait collection.

I will give each of your chosen images a signature retouch and will also design and order the printed art you choose with your collection.

Payment for images, printed art and portrait collection is due at the reveal session.
